MB-Approval Certificate - Original

Changing the Formulation - ATF

MB-Approval 236.1 for: "G-Box ATF DX II" Code: GPN-11-02-10-08

Dear Sir or Madam,

The aforementioned operating fluid complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 236.1 and is therefore approved for the respective Mercedes-Benz vehicles and assemblies. The application range is shown on the MB sheet and further defined on the sheet 231.1. Further requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

The following regulations apply for the MB-Approval:

- The MB-Approval comes into force on the date shown on this certificate
- The MB-Approval is only valid as long as the product name is listed in MB BeVo-ONLINE <http://bevo.mercedes-benz.com>
- In addition, the regulations laid down in the "Obligations Regarding Approval for Operating Fluids" contract signed on 24.03.2016 apply.

A 2-liter back-up sample of each formulation, which can be called upon by Daimler AG at any given moment, must be retained for at least 3 years. We will inform you of the dispatch address.
 Former MB-Approval Certificates for the aforementioned operating fluid are hereby rendered invalid.

Sincerely
 Daimler AG

i.V. Dr. Christoph Doerr

i.V. Dr. Oliver Storz
