Rebrand release coolant additive

We hereby grant the company GAZPROMNEFT- Lubricants, Ltd. a rebrand release for the product

„G-Energy Antifreeze PSI-OAT“

This coolant additive is identical to the approved according to TL 774, version L execution coolant additive [REDACTED] company BASF SE.

So that the rebrand release is also visible to customers and workshops, the containers should

"released to VW TL 774, version L"

be marked.

Please note that the validity of this rebrand release is limited to 24 months, which goes on 13.01.2022.

Best regards

i.V.

Dr. Achmus

i.A.

Strassmann

We are pointing out that this letter only addresses whether product reviewed meets the VW standards. We do not address or express any view on compliance with national chemical inventories, the marketability in any sales market or the compliance with local chemical substances laws or other applicable laws. Responsibility for compliance with such legal requirements falls to the engine oil maker, importer or distributor. It is pointed out that approvals from Volkswagen for manufacturers and distributors are granted on the basis of confirmation of compliance with the requirements of Volkswagen Group concerning sustainability in the relations with business partners. That includes environmental protection, human rights and labor rights of employees, transparent business relations, fair market behavior, duty of care to promote responsible raw material supply chains, integration of sustainability requirements in organization and processes. Details are available at: <https://www.volkswagenag.com/presence/nachhaltigkeit/documents/policy-intern/2016%20Code%20of%20Conduct%20for%20Business%20Partners%20DE-EN.pdf>
